# Chittlin' supper enjoyed by everyone

A large crowd descended on Meek Schools at Arley on April 2, for the annual chittlin' supper, which benefits the Meek High School Band of Champions. The supper was expanded this year to include events throughout the day leading up to the supper during the late afternoon and evening. With this being an election year, a significant number of federal, state and local political candidates also turned out to give speeches and support the band.

Ashley Waid sells chittlin' supper T-shirts at the event.

The Splunge Creek Bluegrass Band performs "The Great Speckled Bird" in memory of the late Judge Bobby Aderholt who passed away in 2021. Judge Aderholt performed the song annually with the band at the supper.

Kadence Boyd won both the hog calling and buck dancing competitions this year. She is pictured with emcee Nancy Frith.

Dancing pigs, portrayed by Meek students James Feist and Brantley Wright, provide some porky entertainment for the evening.
